Subject: Authorization for Partial Release of Reclamation Surety, U. S. Gypsum, San Rafael/Kimball Draw Quarry, S0150075, Emery County, Utah

Dear Ms. Cyrus:

Safeco Insurance Company of America is presently holding a surety, bond number 6410976, for the benefit of the State of Utah, Division of Oil, Gas and Mining and the Bureau of Land Management as a form of reclamation surety for U. S. Gypsum's San Rafael/Kimball Draw Quarry. At the company's request and after site inspections to verify that reclamation work has been satisfactorily completed, this letter will authorize the release of sufficient principal to reduce the face value of the surety to no less than \$1000.00. The current surety amount is \$5400.00, so this would constitute a reduction of \$4400.00.

If you have any questions or concerns, please contact Dana Dean at 801-538-5320, or Paul Baker at 801-538-5261. Thank you for your help in this matter.

Sincerely,

John R. Baza
Director
